

## Weekly Report

5/3/2016 – 5/8/2016

Li Zongzhuang

### Summary

This week I got a fever on Monday. After two days rest, I got my task of Knowledge Graph began. Then I got a task from Yuan Zhaokang about the visualization system of e-commerce. Another task is the overview of Zhang Tianye which I will help to write a chapter. Then the rest day I just focused on my Graduation Thesis.

### To do List

I will complete the task about overview of Zhang Tianye. And then begin with the task of e-commerce . At last I will complete my Graduation Thesis.
